State of Ohio }
County of Greene } SS

On this 9th day of April AD one thousand eight hundred and fifty one personally appeared before me a Notary Public for and within the County and State aforesaid Andrew Burnside and Ellen Smith who being duly sworn according to law declare that according to the best of their knowledge and belief they are the only surviving children and heirs of Johnathan Burnside who was a private soldier in the regiment of Virginia regulars commanded by Col Buford in the war of the revolution. They do not know the name of the Captain under which he (J Burnside) served. That he enlisted at Leesburg Va sometime in the year of 1777 and continued in the service untill he was wounded at the battle of Bufords defeat at Waxhaws in South Carolina on the Santee [sic], where he was stripped of his clothes and left for dead upon the field of battle but was taken to a house in the neighborhood the next day by a man who found him still possessing life, after lingering for some time he recovered so as to be able to be taken to his home in Loudon County Va. and as soon as he was able to bear arms he joined the service at Winchester Va, under Genl Lafayette and Major Shaftner[?] (they do not remember the name of the Captain). that he continued in the service untill the end of the war when he was discharged at Philadelphia. They cannot give a full and accurate description of his services, and would refer to his declaration for a pension filed in the War department (they think in the year of 1828) That said Johnathan Burnside obtained and drew a pension up to the time of his death. That he died in Hebron Licking County Ohio on or about the 25th day December AD 1835. they make this declaration for the purpose of obtaining the bounty land to which they are entitled (as heirs of Johnathan Burnside) under the acts of the Commonwealth of Virginia granting bounty lands to her enlisted soldiers for services in the revolutionary war, or under any act of congress passed for the benefit of Virginia Soldiers, or their heirs, and particularly for the three hundred acres, to which Johnathan Burnside was entitled under the laws of Virginia, as neither himself or heirs have ever received said land or any part thereof. That their reasons for not applying sooner are that they did not know untill recently that they were entitled to it.
